based on industry benchmarks

3

CRITICAL ISSUES

1

WARNINGS

4

REVENUE LEAKS

Estimates based on a conservative baseline of 1,000 monthly visitors and \$150 avg lead value. Actual impact scales with your real traffic and conversion rate.

CONVERSION

\$412-\$1237/mo

1 pages have no CTA — visitors leave with nowhere to go

CRITICAL

1 of your 1 pages have no call-to-action. Pages with strong CTAs convert up to 22% more visitors. Every month without them is revenue you'll never recover.

Benchmark:

HubSpot:
personalized CTAs
convert 202% better
than generic ones

Fix: Add one clear CTA per page (Book a Call, Get a Quote, Download, etc.) (2-4 hours)

TECHNICAL SEO

\$1650-\$3960/mo

1 broken pages are sending visitors to dead ends

CRITICAL

88% of users won't return to a website after a bad experience. Only 12% of visitors who hit a broken page come back. Each broken page also wastes Google's crawl budget.

Benchmark: 88% of
online consumers are less
likely to return after a bad
experience (Gomez)

Fix: Set up 301 redirects for all 4xx pages to the closest relevant page (1-2 hours)

LOCAL SEO

\$1080-\$3240/mo

Missing No pages crawled, Phone not found on website — add GBP phone to every page footer, Review gap: nearest competitor has 1471 reviews vs 806 — 665 behind — invisible to local buyers

CRITICAL

72% of consumers who do a local search visit a business within 5 miles. Without Google Maps embed, LocalBusiness schema, NAP info, your business doesn't show up when nearby customers are ready to buy.

Benchmark: Google: 72% of local searchers visit a store within 5 miles of their search

✓ **Fix:** Add LocalBusiness schema, embed Google Maps, and add consistent NAP on every page (2–3 hours)

CONVERSION

\$93–\$675/mo

Only 0 pages have trust signals — visitors don't feel safe buying

WARNING

Trust signals (testimonials, certifications, guarantees, reviews) directly impact whether a visitor becomes a customer. Without them, visitors choose your competitor who looks more credible.

Benchmark:

Nielsen: 92% of consumers trust peer recommendations over brand advertising

✓ **Fix:** Add client logos, testimonials, or a guarantee statement to key pages (2–4 hours)

Prioritized Recommendations

High Priority

HIGH PRIORITY — TECHNICAL

Fix 1 Broken Page(s)

4xx errors harm user experience and waste crawl budget. Set up proper 301 redirects or restore the missing content for all broken pages.

Medium Priority

Low Priority

LOW PRIORITY — AEO

Improve Answer Engine Optimization

Add FAQ sections, question-based headings, and step-by-step content to increase chances of appearing in AI-generated answers and featured snippets.

LOW PRIORITY — GEO

Strengthen E-E-A-T Signals

Add author bylines, publication dates, statistics with sources, and ensure you have both an About and Contact page to improve trust signals for AI systems.

LOW PRIORITY — GEO/E-E-A-T

Create an About Page

An About page is a fundamental E-E-A-T signal. It establishes authority and trust for both search engines and AI systems.
